

# **PATHOLOGY GRAND ROUNDS**

**MONDAY, NOVEMBER 16, 2020**

**12:00 P.M. – 1:00 P.M.**

**VIA ZOOM**

**“Pathology Affecting Radiation Treatment Decisions in Breast Cancer”**

**SPEAKER: ERIC BROOKS M.D.**

**RADIATION ONCOLOGIST**

**UF Health Proton Therapy Institute**

**2015 North Jefferson Street**

**Jacksonville, FL 32206**

**Learning Objectives:** At the conclusion of this activity, attendees should be able to:

- 1) Describe the major pathologic risk features that influence radiotherapy
- 2) Recognize the importance of 'Residual Cancer Burden' and its effect on prognosis discussion with the patient
- 3) Appreciate how the subtleties in pathologic reporting can make the difference between no treatment, more treatment, or less treatment

**Accreditation:** The University of Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Credit:** The University of Florida College of Medicine designates this live activity for a maximum of *1 AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Disclosure:** No one in a position to control content, including the speaker, the activity director or planning committee members has any financial relationships to disclose.

Conflict of interest information for the CME Advisory Committee members can be found on the following website: <https://cme.ufl.edu/disclosure/>.
